Aging and Disability Vaccination Collaboration “Option A” Application

1/10/2023

Application Orientation Agenda

- Brief Summary of Grant Activities
- Eligible Applicants
- Application Overview
- Q & A

Grant Summary

- ADVC Advisory Committee is comprised of more than 20 national organizations specializing in aging, disability and diverse populations and is poised to provide technical assistance and support
- Approximately 400 local organizations and eligible states mobilized at the community level to develop new or support existing vaccination response systems that will result in at least two million older adults and people with disabilities being vaccinated for COVID-19 and/or Influenza nationwide

Grant Summary, continued

- **Focus:** Reach older adults and people with disabilities most at-risk to negative health consequences of not being adequately vaccinated.
- **Grant Amounts:** Range from \$50,000 to \$2,500,000 depending on programmatic reach and justified need.
- **Required Activities:** Meet all required grant activities either through internal agency operations OR in partnership with entities in your geographic area.
